3. Please outline the economic, social, environmental and other priorities for the Trust.
4. Please outline the KPI's (Key Performance Indicators) the Trust use to measure Social Value output and impact.
5. Who is the key contact for Social Value within the Trust

RESPONSE

1. Does the Trust have a Social Value strategy in place?

No, but the Trust has gained the Cheshire and Merseyside Social Value Award, see link below in question 2 which is used as our framework for development.

2. If so, can you provide a link to the Trusts Social Value policy, strategy, framework or similar document.

3. Please outline the economic, social, environmental and other priorities for the Trust.

Economic – 1) a fair employer (workforce policies), 2) taking a lead role in the development of a Skills Academy for Health and Care providing greater access to advice, skills, development, and jobs within the sector, 3) ‘meet the buyer’ events with businesses to provide guidance for accessing NHS contracts.

Social – 1) Contract awarded will have a Social Value element to the evaluation criteria. 2) The Trust is an active partner in five places contributing to population health and the prevention agenda. 3) The Trust has signed up to the Prevention Pledge for Cheshire and Merseyside.

Environmental – We have a Green Plan 2021-2026 which sets our journey so far and our vision. See links below for the plans for legacy STHK and S&O sites.
