

Ref. No: 1277
Date: 17/10/24
Subject: NHS funded fertility treatments

REQUEST

1. Do you offer **NHS funded** fertility treatments? (Y/N)
2. If the answer to question 1 is yes, please provide the number of patients treated and total number of cycles completed at your Trust, through **NHS funding**, for each of the last three financial years, specifically for the following fertility treatments:
 - a. IVF (in-vitro fertilisation, including frozen embryo and fresh embryo transfer, ICSI (intracytoplasmic sperm injection))
 - b. IUI (intrauterine insemination, including donor insemination)
 - c. Egg freezing
 - d. Embryo storage

Treatment	FY2021/22		FY2022/23		FY2023/24	
	Total patients	Total cycles started	Total patients	Total cycles started	Total patients	Total cycles started
IVF						
IUI						
Egg freezing						
Embryo storage						

3. Do you offer **privately funded** fertility treatments? (Y/N)
4. If the answer to question 3 is yes, please provide the number of patients treated and total number of cycles completed at your Trust (including in any Private Patient Unit), through **private funding**, for each of the last three financial years, specifically for the following fertility treatments:
 - a. IVF (in-vitro fertilisation, including frozen embryo and fresh embryo transfer, ICSI (intracytoplasmic sperm injection))
 - b. IUI (intrauterine insemination, including donor insemination)
 - c. Egg freezing
 - d. Embryo storage

Treatment	FY2021/22		FY2022/23		FY2023/24	
	Total patients	Total cycles started	Total patients	Total cycles started	Total patients	Total cycles started
IVF						
IUI						
Egg freezing						
Embryo storage						

RESPONSE

1. No
2. N/A
3. No
4. N/A
