

Ref. No: 1172
Date: 29/08/24
Subject: Sodium lamp preservation

REQUEST

I am a sodium lamp collector and noticed that Ormskirk hospital has a few remaining, I would like to preserve these.

Please let me know when/if these will be replaced.

RESPONSE

I am a sodium lamp collector and noticed that Ormskirk hospital has a few remaining, I would like to preserve these.

Please let me know when/if these will be replaced.

All street light fittings have been upgraded to LED in the last 2 years. The photos on the FOI are from 2021 google street map hence are out of date.
