

Ref. No: 1193  
Date: 10/09/24  
Subject: Patient safety issues

## REQUEST

Since April 2020, have you commissioned or received any Royal College invited reviews into your services? Please list service involved, Royal College involved, date commissioned and date delivered.

For each of the reviews

1. Were any patient safety issues raised by the invited review?
2. If so, did you inform your regulator/s? Which ones and when?
3. If patient safety issue was identified, was this discussed by the board, either in public or private? When was this and can you include a link to the relevant board papers?
4. If a patient safety issue was identified, did you publish a summary of the report – its conclusions, recommendations, terms of reference and actions taken by you? Please include a link showing where it can be seen.
5. If a patient safety issue was identified, did you exercise duty of candour to those patients affected? How many and when were they contacted?

Please attach all invited reviews commissioned or received since April 2020. We appreciate certain details which identify individuals may need to be redacted. However, please state what exemption you are planning to use if you do not send reports.

## RESPONSE

1. Were any patient safety issues raised by the invited review?

Yes

**2. If so, did you inform your regulator/s? Which ones and when?**

Yes, General Medical Council informed

**3. If patient safety issue was identified, was this discussed by the board, either in public or private? When was this and can you include a link to the relevant board papers?**

Yes , discussed at Public Board meeting July 2021.
