

Ref. No: 1069
Date: 12/07/24
Subject: Vascular Therapy

REQUEST

I would greatly appreciate it if you would send me a copy of the NPM agreement your Trust has with their anti-embolism stocking (AES) supplier. AES is part of the Vascular Therapy and Associated Products Framework.

I also need to know when this was signed and, if possible, who sent the email to the Trust requesting them to sign this agreement.

RESPONSE

The Trust is not part of an NPM
