Clarification

My original request was for both ICD 10 and ICD 11 codes. I asked for both to be provided unless you haven't implemented ICD11.

Please see amendment (exclusion of icd11 request) otherwise original request remains.

RESPONSE

St Helens and Knowsley Teaching Hospitals NHS Trust and Southport and Ormskirk Hospital NHS Trust became a single legal entity known as Mersey and West Lancashire Teaching Hospitals NHS Trust on 1st July 2023, as such parts of the response may be provided in two sections relating to the hospital sites of each of the legacy organisations.

1. Could you please provide the numbers of people 18 – 65 plus years with whom your Trust has / had contact with, with the following diagnostic codes irrespective of where they are situated within the spectrum of individuals codes?

Southport and Ormskirk response & St.Helens and Knowsley response

The codes are not ICD10 codes and therefore we haven't provided a response for them.

2. Could you please provide the data for the period between January 1st 2019 and March 31st 2024? The 1C1 codes are from the ICD11 - if you have not yet implemented it, please state so.

Section 40: personal information

We are unable to provide precise figures when those figures refer to individuals in volumes of 5 or less due to the risk that individuals will be re-identified, as we are required to protect their identity under the General Data Protection Regulations & Data Protection Act 2018. In such circumstances Section 40(2) and Section 40(3) of the Freedom of Information Act apply. In this case, our view is that disclosure would breach the first data protection principle which states that personal data should be processed “lawfully, fairly and in a transparent manner”. It is the lawful aspect of this principle which, in

our view, would be breached by disclosure, and in such circumstances, Section 40 confers an absolute exemption on disclosure.
