

Ref. No: 0499  
Date: 04/12/23  
Subject: Radiology Software

## REQUEST

- 1. Do your hospitals have a software system capable of patient radiation dose recording and management in radiology? (Note: this could be a stand alone product or be part of a PACS or other radiology platform solution).**
- 2. If so, is it a commercially available system or a system free of cost to use?**

## RESPONSE

St Helens and Knowsley Teaching Hospitals NHS Trust and Southport and Ormskirk Hospital NHS Trust became a single legal entity known as Mersey and West Lancashire Teaching Hospitals NHS Trust on 1<sup>st</sup> July 2023, as such parts of the response may be provided in two sections relating to the hospital sites of each of the legacy organisations.

- 1. Do your hospitals have a software system capable of patient radiation dose recording and management in radiology?**

St Helens and Knowsley:

Yes, stand alone product with PACS and RIS system.

Southport and Ormskirk:

Recording only.

- 2. If so, is it a commercially available system or a system free of cost to use?**

St Helens and Knowsley:

Commercially available.

Southport and Ormskirk:

N/A
