REQUEST

I'm writing to you with a Freedom Of Information (FOI) request, asking if your Trust has had [full fibre optic internet installed](#) at hospitals and other locations?

If so, how many hospitals has it been installed at, which ones and when?

RESPONSE

St Helens and Knowsley Teaching Hospitals NHS Trust and Southport and Ormskirk Hospital NHS Trust became a single legal entity known as Mersey and West Lancashire Teaching Hospitals NHS Trust on 1st July 2023, as such parts of the response may be provided in two sections relating to the hospital sites of each of the legacy organisations.

All hospitals at the Trust have fibre internet circuits, these have been installed 10+ years.
