

Ref. No: 1379
Date: 28/11/24
Subject: Short Term Staff Accommodation

REQUEST

Please may I know if your NHS Trust

- a. owns any staff accommodation?

- b. If this accommodation currently available for your NHS staff to book on a short term and ad hoc basis?

- c. Is the management of bookings of these properties (by staff) outsourced to a 3rd party?

- d. If the management of these properties is done inhouse, by the Trust, what software (if any) is used to manage these bookings?

- e. Please may I have the name and email address of the manager of this NHS Staff Accommodation service

RESPONSE

Whiston and St Helens Hospitals

Please may I know if your NHS Trust

a. owns any staff accommodation?

Whiston and St Helens Hospital do not own staff accommodation.
Accommodation is provided via lease agreements with landlords.

b. If this accommodation currently available for your NHS staff to book on a short term and ad hoc basis?

The leased accommodation is available for NHS staff to book on a short term basis

c. Is the management of bookings of these properties (by staff) outsourced to a 3rd party?

The management of the lease properties is undertaken by our PFI partner Medirect

d. If the management of these properties is done inhouse, by the Trust, what software (if any) is used to manage these bookings?

N/A

e. Please may I have the name and email address of the manager of this NHS Staff Accommodation service

N/A
