

Ref. No: 1325
Date: 06/11/24
Subject: Procedures

REQUEST

The procedure was exploration of the brachial plexus and nerve graft. I would be grateful if you could please confirm approximately how many procedures of this kind that Mr Hassan performs each year.

RESPONSE

Between 2015 and 2021 Mr Hassan performed 18 exploration of brachial plexus with either neurolysis/nerve grafting/nerve transfer.
