Subject: Imitation of Medical professionals

REQUEST

In the last five years (i.e 2019-2024) at your trust, how many incidences have there been of members of the public or other patients pretending to be a medical professional in your hospital.

For each case found I'd also like any information as to if the individual interacted with any patients.

So for example;

1 incident. March 2020. No interaction with a patient.

RESPONSE

There have been no recorded incidents of this nature.
