

Ref. No: 1558
Date: 18th February 2025
Subject: Nicotine Pouches

REQUEST

1. Any data on hospital admissions, A&E visits, or GP consultations where nicotine pouches were recorded as a contributing factor, for 2023, 2024, and 2025. **Please disaggregate this data by:**
 - **Type of admission (eg A&E visit, hospital admission or GP consultation)**
 - **Year**
 - **Age of patient (either under 18 or over 18)**
 - **Health condition related to nicotine pouch use**
2. Any data on patients with recorded dental or oral health conditions linked to nicotine pouch use within your Trust's dental services, for 2023, 2024 and 2025. **Please disaggregate this data by:**
 - **Year**
 - **Age of patient (either under 18 or over 18)**
 - **Type of oral health condition**

RESPONSE

The data is not recorded to provide an answer to this FOI as the pouches aren't stocked at this Trust.

We also have no way of knowing if a patient who visited A&E or was admitted had/uses nicotine pouches as this is not recorded or coded.
