

Ref. No: 1598
Date: 7th March 2025
Subject: What software is used for the school aged Immunisation consents

REQUEST

Regarding the software used to manage digital consent applications for the for School aged Immunisation Services for Children Aged 5-19 in your area.

1. **Is your organisation using software to manage digital consent for School Aged Immunisation campaigns?**
2. **What is the name of supplier and the software application you use?**
3. **When did the contract for this software start and when does it end?**
4. **What is the total value of the contract?**
5. **How many children aged 5-19 do you Immunise in your area per year?**

RESPONSE

Sthk Response

We are unable to answer this request as we do not have a School aged Immunisation Service for Children Aged 5-19.

We redirect to St Helens 0-19 Service
They can be contacted via wchc.sthelensdutyhub@nhs.net

S&O Response

The school-aged immunisation service for children aged 5 to 19 in the area served by Ormskirk Hospital, is managed by IntraHealth. They provide immunisation services across East and Central Lancashire, including the Ormskirk region.

They are contactable on contactimms@intrahealth.co.uk
